Disease Management Care

HOME IS WHERE YOU MANAGE

Managing chronic diseases such as ***Alzheimer's/Dementia, Parkinson's Disease, Infectious Disease, Diabetes, Congestive Heart Failure (CHF), Chronic Obstructive Pulmonary Disease (COPD), Post Traumatic Stress Disorder (PTSD), End of Life Care***, can result in unwanted visits to the hospital, taking time away from home, family and familiarity. Enjoy a healthier quality of life in your home with staff certified in specific disease management. We take care of Household tasks (Non-Medical) and Medical needs. This ala carte offering allows you to design the schedule and care plan that works best for you. Reasonable rates and various pay sources are accepted.
