Stay Independent Longer

With confidence and care

Private Duty Pediatric Nursing

Home Is Where You Succeed

Caring for a child with complex medical issues can be overwhelming, exhausting and frightening for their family. We provide a family centered approach to provide care for medically fragile children. Skilled and experienced pediatric nurses will provide safe and family centered care in your home for up to 24 hours per day. We Accept Medicaid reimbursement as well as reasonable private pay rates and other pay sources.

Nursing care services include but are not limited to:

- Monitoring and intervention for critical, unstable airways
- Assistance with eating/tube feeding
- Management of bowel or bladder conditions
- Administering and monitoring medication
- Premature and high-risk infant care
- Hospital to home post-surgical care
- Diabetes management
- Asthma care
- Respiratory treatments
- Tracheostomy care
- Neurological disease management
- Cancer care
- Seizure disorder monitoring
- Traumatic brain injury care

Personal care and daily activity services

- Bathing, dressing, toileting
- Adolescent personal hygiene assistance
- Walking and transferring (safely use of wheelchairs and other assistive equipment)
- Meal preparation, nutritious meal planning
- Exercise and play assistance
- Environment safety observance

INDEPENDENTLY OWNED AND OPERATED, MEETING THE NEED SINCE 2002
